Benefit from an evening of laughter and award-winning food while helping us turn **CANT TO CAN** for some of the **1 in 88** children with autism.

This year's hilarious evening features the comedic genius of...

16 year-old
MICHAEL McCREARY

(diagnosed with Asperger's at age five)

Join him as he takes you on a comical journey through the lighter side of Asperger's Syndrome.

For our headliner enjoy the comical style of **PHIL PARISOUL** as seen on The Tonight Show, Comedy Central and Premium Blend. With a remarkably unique, self-deprecating style combined with side-splitting material, Parisoul's well-polished stand-up routine has made him a huge hit at comedy clubs, cruise ships, casinos, and corporate events across the country.

Our emcee for the event is **ERIC GOODMAN**, local radio sports talk show host on Mile High Sports Radio.

TICKETS ARE **\$175** PER PERSON • TABLES OF **10** ARE **\$1,500**
